Dear Grade 6 parents,

Normally around this time of year we would be hosting a grade 6 tour with students in the day to show them the school and talk about the great programs, classes, sports and clubs we have at Jasper Junior Senior High. We also usually invite grade 6 parents over separately at night in June for more information about our school and the opportunities available to our grade 7 students. Obviously with Covid 19, we are unable to do this at the current time. By direction of Alberta Education, students are not allowed in any public schools for the remainder this school year.

We are hoping that we can invite both students and parents over together for a tour and orientation the week of August 31st – Sept 4<sup>th</sup>, 2020. Since we are unsure of the status and regulations for schools next year and any restrictions on possible group sizes we will wait until the week prior (August 24th- 28th) to establish a date and time for this possible event and communicate this out for the following week.

If you have any questions feel free to reach out and I look forward to hopefully touring students around the school and meeting you.

Sincerely,

Mark Crozier
